

TENDER FORM

Cutting of precision parts

We propose you to fill in the technical form in order to provide us with all the necessary data for the establishment of a complete offer or the production of your parts by means of chemical and/or laser cutting. **We inform you that by COMPLETING THIS FORM AND SENDING IT TO CMT RICKENBACH SA YOU ACCEPT [THE PRIVACY POLICY & COOKIES POLICY](#) OF OUR COMPANY.**

If you do not fill in this form, our standard production conditions will be applied.

| | |
|-----------------------------|--|
| Company Name | |
| Contact Name | |
| Role | |
| Address | |
| Phone number | |
| Field of application | |

Technical Files:

The files necessary for the production of the parts must be vectorized and of type:

- DXF / DWG / Step / Gerber

File required for the establishment of the offer:

- Toleranced and dimensioned drawing (pdf, jpeg...)

Information required if not mentioned on the drawing:

| Article Ref. | Material | Material thickness | Status (ex : annealed, hard) | Quantity |
|--------------|----------|--------------------|------------------------------|----------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |

Material :

Can we propose alternative materials (for reasons of timing, price or availability)?

Yes ☐ No ☐

Note: _____

Production fasteners:

As a general rule, the parts are produced attached on the plate.

For more information on the type of fasteners possible, please refer to our technical guide available on our website under www.cmtrickenbach.com/Technologies-2/Photochemical-machining

☐ Defined by CMT Rickenbach SA

☐ External

☐ Internal

☐ Without fastener (available on request and at an additional production cost)

Position of production fasteners:

☐ Defined by CMT Rickenbach SA

☐ Specified on the drawing

Rolling direction:

☐ Defined by CMT Rickenbach SA

☐ Specified on the drawing

Delivery of parts:

☐ Defined by CMT Rickenbach SA

☐ Detached

☐ Specific packaging: _____

☐ Specific transport: _____

☐ Attached to the plate

Incoterms :

☐ Ex Works

☐ Other (on request)

☐ DAP

Currencies :

☐ CHF

☐ Other (on request)

☐ €

Required documents:

☐ Certificate of conformity

☐ FAI/PAQP

☐ Certificate of Material

☐ Other: _____

Type of Control

☐ Defined by CMT Rickenbach

☐ Other: _____

Type of finish requested:

☐ Galvanic treatment

☐ Selective galvanic treatment

☐ Bending

☐ Welding

☐ Mechanical decoration

☐ Finish specified on the drawing

☐ Possibility to offer without finish

☐ Tribo-finishing

☐ Sanding, bead blasting

☐ Identification (Marking)

☐ Epilage

☐ Galvanic treatment

☐ Polishing

☐ Other: _____

Standard applicable to the production of your parts:

☒ ISO9001

☐ EN9100

Note: _____

Thank you for this information, we will prepare our offer according to your specifications, subject to feasibility.

Best regards

The CMT Rickenbach team
